9:30 AM

Session Block: 1B DCE Consumers

Session | **Location:** Red Queen (1st Floor) | **Convener:** Johannes Linde

9:30 – 9:50 AM **A Novel Approach to Determining Spatially Explicit Values of Natural Capital**

Speaker
Nino Cavallaro

9:50 – 10:10 AM **Are Consumers Willing to Share Farmers' Income Risk?**

Speaker
Sophie Harzer

10:15 – 10:35 AM

Public Preferences for Risk of Pesticide Residue or Risk of Invasion to Combat Invasive Species in Agriculture

Speaker
Ashley Comma Roy

10:40 – 11:00 AM

Farming the Future: How Germans Value Ecosystem Services and Indirect Land Use Impacts

Speaker
Johannes Linde

11:00 AM

11:30 AM

Session Block: 2A Climate Adaption

Session | **Location:** Beehive (Ground Floor) | **Convener:** Zsoka Halaszova

11:30 – 11:50 AM

Behavioral Drivers To The Adoption Of Sustainable Agricultural Practices: A Best-Worst Scaling Experiment Among Italian Winegrowers

Speaker
Claudia Stefania Gondos

11:55 AM – 12:15 PM

Experimental Evidence on Behavioral Factors and Heuristics Influencing Farmers' Willingness to Pay for Drought Index-based Insurance

Speaker
Mirta Casati

12:20 – 12:40 PM

The impact of perceived climate extremes on farmer adaptation decisions to climate change

Speaker
Oliver Behn

12:40 PM

11:30 AM

Session Block: 2B Farmers & Policies

Session | **Location:** Red Queen (1st Floor) | **Convener:** Oliver Behn

11:30 – 11:50 AM

Informing the design of low carbon farming payment schemes: a factorial survey experiment

Speaker
Klaus Glenk

11:55 AM – 12:15 PM

Identifying strategies for crop (rotation) planning: a single-player online game approach

Speaker
Malin Gütschow

12:20 – 12:40 PM

Dutch farmers' attitudes to Waterschap De Dommel's spatially targeted water transition strategy

Speaker
Zsoka Halaszova

12:40 PM

2:00 PM

Session Block: 5B Various methods

Session | **Location:** Red Queen (1st Floor) | **Convener:** Thi Thanh Thuong Dang

2:00 – 2:20 PM
Farmers' Acceptability and Perceived Efficacy of Green Nudges: A Best-Worst Scaling experiment in Europe

Speaker
Jesus Barreiro-Hurle

2:25 – 2:45 PM
Risk, Time and Water: Linking Smallholders' Preferences to Irrigation Scarcity in Kyrgyzstan

Speaker
Marlen Tynaliev

2:50 – 3:10 PM
Process vs. Product : the influence of different labelling scenarios on consumer's purchase intention for NGTs

Speaker
Mirta Casati

3:10 – 3:30 PM
Factors influencing dairy farmers' participation in the Income Stabilisation Tool: Evidence from Northern Italy

Speaker
Thi Thanh Thuong Dang

3:30 PM

3:50 PM

Session Block: 6A Validity of Expriments

Session | **Location:** Beehive (Ground Floor) | **Convener:** Thomas Rellensmann

4:15 – 4:35 PM **Pre-registration for stated preferences studies: Potentials, challenges, and a template**

Speaker
Julian Sagebiel

4:40 – 5:00 PM **Comparing the internal and external validity of economic experiments to inform the CAP**

Speaker
Thomas Rellensmann

5:00 PM

3:50 PM

Session Block: 6B DCE

Session | **Location:** Red Queen (1st Floor) | **Convener:** Jesus Barreiro-Hurle

3:50 – 4:10 PM

Cash vs. electronic payment mode and the validity of experimental results: evidence from an incentive compatible DCE with information treatment

Speaker
Mr Akinwehinmi Oluwagbenga

4:10 – 4:30 PM

The role of behavioural factors in farmers' preferences for practice-based, result-based and hybrid payment schemes.

Speakers
Dr Jesus Barreiro-Hurlé, Laure Kuhfuss

4:30 – 4:50 PM **Consumer preferences for sustainable acquaculture under imperfect information**

Speaker
Jesus Barreiro-Hurle

5:00 PM
